

John Dickinson House and Plantation National Historic Landmark

## Working with Delaware

### By the Numbers

Almost every American city and town claims a little bit of the National Park Service. Communities invite us to help them. Together we build trails and playgrounds, return historic buildings to productive use, revitalize neighborhoods, expand affordable housing, protect watersheds, recognize and promote local history, and introduce the next generation to stewardship opportunities. When we combine our expertise and resources we can accomplish great things.

681 National Register of Historic Places listings

\$90,264,127 of historic rehabilitation projects stimulated by tax incentives (since 1995)

12 National Historic Landmarks

\$35,989,038 in Land & Water Conservation Fund grants (since 1965)

2,394 federal acres transferred for local parks and recreation (since 1948)

\$17,775,495 in historic preservation grants

16 community conservation and recreation projects (since 1987)

390 historic places documented by the National Park Service

5 Certified Local Governments

2 Teaching with Historic Places lesson plans

2 Discover Our Shared Heritage travel itineraries

These numbers are just a sample of the National Park Service's work. Figures updated 12/2010.
